"A City In A Park"

Volunteer Park Rangers Numbers Grow

The LRPR Volunteer Park Ranger program just graduated three more Rangers, with six more waiting on the next training session. There are currently 14 active Rangers covering 11 parks.

The purpose of this program is to recruit individuals, aged eighteen (18) and up, to volunteer and serve as "Goodwill Ambassadors" in parks, as well as to provide information, instruction and assist with routine maintenance. These volunteers will serve as extended "eyes and ears" of the Department and will help staff be more efficient and customer oriented

If you are interested in becoming a Park Ranger visit www.lrpr.org for more information.
